I enjoy ideation, problem solving and teamwork. I want to be creating better societies and ways of living. For that it's crucial to understand the role of technology and business design in today's society. I'm interested in socially and environmentally driven entrepreneurship, that thrives from collaboration in the intersection of research, technology and society.

Experience

Thesis worker Jul 2023 – Jan 2024
Startup Foundation

Topic: Key aspects influencing research based startup creation in Finnish Universities.

Self Employed Mar 2019 –
Personal Company

Concept design, website design, search engine optimisation, marketing, photography, videography, B2B customer survey reporting and translations.

Board Member & Coordinator Jan 2021 – Dec 2021
Aalto Entrepreneurship Society

My responsibilities included managing 5+ projects, communications and community building of 200 members. I was also involved in project ideation, event organisation and podcast hosting to name a few.

Co-founder & Designer Mar 2021 – Dec 2021
Wicked Helsinki

I was part of the founding team of an impact entrepreneurship community Wicked Helsinki. I was responsible for designing the brand identity, hosting meet-ups and other project management tasks.

Sales & Marketing Aug 2016 – Sep 2020
Detalji boutique

I was responsible for sales, digital content creation, social media marketing and the newsletter. I also planned and executed styling, photoshoots and filming.
